EXPERIENCE

Singapore Management University (SMU) · Teaching Assistant

Singapore · Jan 2026 – Present

Taught courses from different faculties

- | Designed and curated discussion materials; provided mentorship to 15 student groups through research and presentation deliverables; contributed to summative assessment and grading – Lee Kong Chian School of Business.
- | Assessed quantitative assignments, covered tutorials and oversaw session logistics for Statistical Theory — School of Economics.

Integro Law Chambers LLC · Legal Intern, Family Practice

Singapore · May 2025 – Jul 2025

Interned for a family law practice, supporting client advisory and case preparation

- | Drafted first-pass affidavits and consent orders by structuring client facts, timelines and supporting documents into clear, persuasive statements for lawyers' review and filing.
- | Interacted directly with clients in highly-sensitive family-law disputes, asking clarifying questions, managing expectations and helping them stay calm before and after consultations and court sessions.
- | Interacted directly with clients in highly-sensitive family-law disputes, asking clarifying questions, managing expectations and helping them stay calm before and after consultations and court sessions.

Pro Bono SG · Legal Intern

Singapore · Feb 2024 – Apr 2024

Interned at Pro Bono SG under major legal aid schemes & community legal Clinics

- | Provided research assistance on legal issues encountered in complex cases with novel scenarios regarding deputyship and uncustomed tobacco importation.
- | Managed correspondence between clinic applicants, volunteer lawyers and Pro Bono SG's internal records to book consultation sessions for around 50 applicants a week.
- | Facilitated note-taking during lawyers' meetings with applicants, merits interviews and means testing.
- | Filtered applicants' request for legal assistance and drafted case summaries to act as a brief for lawyers' attending to applicants' legal issues.

PROJECTS & EXTRA CURRICULAR

Volunteering: English Tutor | CampusImpact's Learning Curve Programme

Oct 2025 – Present

Tutored Primary 6 Students English, one-on-one

- | Delivered weekly private English tutoring to a student with developmental SQL delays, adapting materials and pace to meet her individual needs to support her preparation for her PSLE English paper.
 - | Researched, experimented with different teaching methods and iteratively adjusted lesson-plans based on her receptivity to improve both comprehension and confidence, to refine lessons and sustain progress.
- Python, Django, AWS, Redis, Docker, Kubernetes
